GERMAN SILVER

The Gift Desk

*Finest Form of
Simplicity..*

ABOUT

German silver gifting products are decorative and functional items made from a durable alloy of copper, nickel, and zinc, designed to mimic the premium look of sterling silver at a lower price point. Because they are tarnish-resistant and elegant, they are widely used as "return gifts" or ceremonial tokens for weddings, housewarmings, and religious festivals.

they are tarnish-resistant and elegant, they are widely used as "return gifts" or ceremonial tokens for weddings,

TGD-11001

Crafted with fine artistry, the elephant symbolizes prosperity, wisdom, and good luck, making it an ideal choice for gifting during festivals, weddings, housewarming ceremonies, and special occasions. The elegant lid with a crystal-style knob and included spoon enhances both functionality and aesthetic appeal.
